The Honorable Donald Regan  
Chief of Staff to the President  
The White House  
Washington, D. C. 20500

Dear Don,

Gorbachev's Economic Agenda: Promises, Potentials,  
and Pitfalls is the latest thing we have done on the  
Soviet economy. For a deeper background, if you would  
like to have it, I enclose also the document now two years  
old on what's been happening to the Soviet economy from  
1976 to 1982, The Slowdown in Soviet Industry, 1976-1982.  
At the end of the week or early next week I will be able  
to send you a just completed document on the Soviet  
military and industrial complex.

Yours,

William J. Casey
